

# TPED Declaration of conformity

## according to Directive 2010/35/EU

### for a pressure equipment

The manufacturer

*Shanghai Bene High Pressure Container CO., LTD*  
*No. 3, Lane 1473, Zhen Guang Road 200333, Shanghai, P. R. China*  
 herewith declares, that the pressure equipment

Description:	Aluminum-alloy gas cylinder used in filling compressed CO <sub>2</sub>	
Type-,Serial-,Identification-No:	JXML250B-147, Rev.,0 dated 2020-06-01	
	113301~118754,	5400 pieces
Max.allowable pressure PW:	166	bar
Allowable max./min.temperature TS:	+50/ -40	°C
Volume V/Diameter DN:	0.6L / φ 60	L/mm
Year of manufacturing:	2021/11	
Test pressure PH:	250	bar
Date of Pressure test	2021/11/12	
Test fluid:	water	

corresponds to the Transportable Pressure Equipment Directive 2010/35/EU.

Applied conformity assessment

Procedures: Type approval + Supervision of manufacture, Initial inspection and tests

Applied standards and technical

Specifications:

EN ISO 7866:2012+AC:2014

Other applied EC-Directives:

--

### Engaged notified bodies:

Surveillance of the QS-System:

Examination/inspections/test

During manufacturing:

TÜV SÜD industrie Service GmbH

### Certificates which are included

EC-Type Examination Certificate No.:

0036-069-20 Rev.0

EC-Certificate of conformity No.:

Location, Date:

Jiaxing, 11/2021

Signature
